ABOUT ME

I'm a passionate and self-driven BCA student with a deep interest in programming, game development, and creative tech. I enjoy building projects through self-learning, exploring new technologies, and contributing to team efforts. With a strong foundation in Python and Java, and an eagerness to grow in full-stack development, I'm excited to kickstart my tech journey through real-world experiences.

EDUCATION

2023 – Present **Bachelor of Computer Applications (BCA)**
College of Applied Science (IHRD), Mavelikkara
